FEMINISM AS A METHOD

Feminist and Queer Epistemologies, Methodologies and Methods in Social Sciences

The workshop aims at exploring the contribution of feminist theories and approaches to epistemology, methodology and methods in social sciences. It brings together scholars from different disciplines, in order to share existing knowledge, skills and expertises from a feminist and gendered perspective.

Entrance will be allowed up to the maximum capacity of the room and the Green Pass will be verified at the SNS Front Office, V floor

Organized by:
Donatella della Porta
Anastasia Barone
Giada Bonu
